

## Soderglen 2018 Bred Heifer Supplement Sheets - Red MAX Heifers

All of the heifers have met strict requirements to be eligible and have been pelvic measured by Vet Agri-Health prior to breeding.

All heifers were synchronized using a 7 day cidr co-sync program.

All were AI'd to Red Soder King M908Z on July 6.

*Clean up bulls were:*

**SGFC King 62C, SGFC Full Throttle 59D**

**Calving Start Date - April 10**

The heifers will be displayed in pens by the loadout for viewing.

They will be sold by video auction after the last bull is sold.

The heifers need to be picked up within one week of the sale.

Price is FOB the yards, but we can help arrange for delivery.
